events

**MISSION STATEMENT**

Our Local Mission Team's Vision is,  
with God's grace, to equip our faith  
community to join the greater body of  
Christ to serve those in need within  
our Detroit Metro community, so that  
they may experience God's love.

## **MISSION POINTE**

Mission Pointe is located in the alcove at the entrance to the Lighthouse Harbor. Here you will find bins and baskets for your use in dropping off donations. There is also a bulletin board with additional information about these programs as well as their extended wish lists.

This flyer is yours to keep as a reference of all the things we collect here at Geneva to serve those in need.

The Local Mission Team invites you to take an active part in the ministry of Geneva Presbyterian Church to the local community by:

- Donations of goods to these programs,
- Donation of funds to the mission budget to further these programs,
- Help in delivering goods to agencies as the bins fill,
- Prayer for those in need and for those who assist them,
- Join the Mission Teams in Hands-on service to others.

For further information you can contact the Local Mission Elder or members of the team.
